8th May 2024

Announcement

UNAUTHORIZED USE OF HULHUMALÉ LANDS.

The construction commencement for HDC's major developments in Hulhumalé phases 2 and 3 is scheduled. Therefore, we hereby announce the decision to clear all unallocated occupied lands.

It has come to our attention that certain parties/individuals are illegally utilizing HDC lands in Hulhumalé without proper authorization. These sites have been allocated for future developments in Hulhumalé, including infrastructural, utility, and government social housing projects. The unauthorized use of these lands has resulted in delays in the allocation and construction of these upcoming developments in Hulhumalé, thus disrupting the city's development timeline.

Therefore, we kindly request all occupants to communicate with HDC to vacate the illegally occupied lands by 7th June 2024. Any materials or belongings left after this deadline will be removed without further notice, and HDC will not be liable for any loss or damage to such belongings left unattended on these premises.
