Announcement

CLEARANCE OF INDUSTRIAL ZONE PAVEMENT AREA

In the effort to prevent Mosquito infestation and spread of infectious diseases in Hulhumale', the clearance work required has commenced recently.

Consequently, we hereby announce that a decision has been taken to clear several areas in the Hulhumale' Industrial zone and to take the necessary actions on the parties where it has been observed that materials are illegally kept alongside the pavements which is a public nuisance and advocates mosquito infestation.

Therefore, we kindly inform all tenants to clear the illegally kept materials within 30 days **(on or before 12th June 2024)**. Any materials or items that has not been cleared by the deadline will be removed without further notice by HDC, and HDC will not be liable for any loss or damage incurred to the materials left uncleared.

For further clarification or information, please contact us at 1516 or 3353535.
